of people who accessed
Comforts of Home
said the program
made them feel
more secure.

“ *This program made me so
emotionally filled, I am holding back
tears - not very well!*”

- 2025 UWNEMN Comforts of Home Recipient

“ *Any time I need anything for my
students, I always reach out to UWNEMN.
Comforts of Home just supports them
bigger than we can even imagine.*”

- Jamila Henderson, Hibbing Check and Connect

“ *This meant more than
words can describe.*”

- 2025 UWNEMN Comforts of Home Recipient

“ *One of the great things that I appreciate about the
Comforts of Home program is that it will be there, ready
to help, when an individual person or family has their
housing situation stabilized and are ready to re-supply
their home to build on their recovery*”

- Dan Williams, American Red Cross
Serving Northern and Central Minnesota Executive Director
